Total Project Value

1,500,000 €

Consulting Value

250,750 €

Type of Contract

Service Contract

Procurement Advisor for the Technical Assistance to Support the Implementation of the “Zambia Water and Sanitation” Project

Copperbelt Province – Chingola – Old Trickling Filter at Ponds Site

The Mulonga Water and Sewerage Company (MWSC) provides water and sanitation services to populations in urban, peri-urban and low-income areas in parts of the Copperbelt Province.

The project's objective is the rehabilitation and the expansion of water and wastewater services provided by the MWSC.

The Procurement Advisor will carry out the following activities:

- Development of the ToR for the procurement of a Project Implementation Consultant (PIC)
- Service contract award to a competent and qualified PIC
- Development of PIC and MWSC incentive schemes
- Monitoring plan for the first two years of the PIC contract

The selected PIC will assist the MWSC with 1) the implementation of a substantial investment programme (up to 150 million €) within its entire service area and with 2) the improvement of the overall performance of the company.
